Find a news story from a reliable source on an interesting event transpiring in a country other than the United States. Summarize the main points of the article in a paragraph (or two) using 75-125 words total. Do not merely copy lines from your article, but find the most important details and recount what actually happened.

Write a paragraph either reacting to the event and giving your personal opinion, or describing the impact this event will have on you, the United States, or the world.

Be prepared to identify where this event takes place on a map.

CORRECT Bibliographic citation for the news source (MLA format required):
